

Tsukuba Kasumigaura Ring Ring Road

Biwaichi

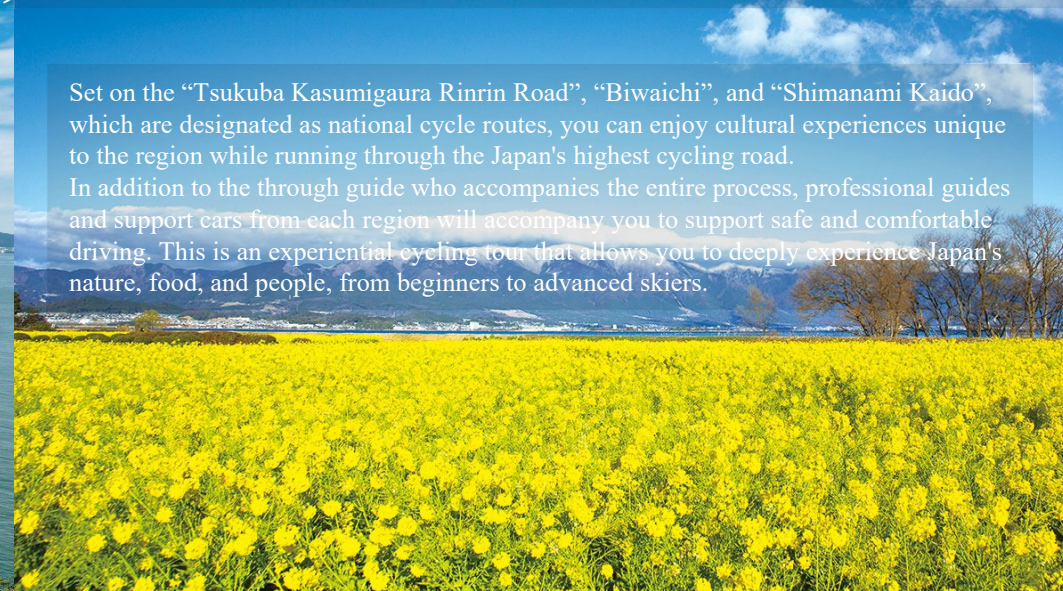

Head to Ibaraki, Shiga, and Ehime Prefectures!
A 10-day long-distance cycling tour of Japan's highest peaks,
experiencing the spectacular scenery and culture of lakes,
mountains, and oceans

Set on the “Tsukuba Kasumigaura Rinrin Road”, “Biwaichi”, and “Shimanami Kaido”, which are designated as national cycle routes, you can enjoy cultural experiences unique to the region while running through the Japan's highest cycling road.

In addition to the through guide who accompanies the entire process, professional guides and support cars from each region will accompany you to support safe and comfortable driving. This is an experiential cycling tour that allows you to deeply experience Japan's nature, food, and people, from beginners to advanced skiers.
