

1

Ask DMC Japan
by KNT

- Please contact us, DMC Japan by KNT, for the Optional Package “COVID-19 PCR Test”.
 - “[Contact Us](#)” on our Website
 - Email to dmcjapan@or.knt.co.jp or TEL (+81-3-6891-9200)

2

We Ask Hospital

- We would ask Fujimino Emergency Hospital for availability of the PCR Test.
- The test will be possible if the doctors are available. Please be noted that the available date/time depends on the doctors’ schedule.

3

Send Your Details

- If we succeed in arranging PCR test, we will ask for the below information:
First/Last name, gender, birth of date, emergency call number, passport No., passport issuing date & expire date.
- We would ask you to fill in the medical form, and also to sign on agreements.

4

Complete Payment

- Complete your payment in advance.
- Payment should be done by cash or credit card.

5

Test Day

- Doctors and staff from the hospital will be at the venue 30min~1hour before the test time.
- The number of doctors/staff depends on the case.
- The time it takes for PCR test is a few seconds per person.

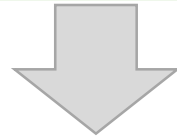

6

Results to be
sent

- If tested positive, there will be a contact from the hospital to the representative. There will be report to the Japanese Health Center as well, and you will be asked to follow the instructions by the center. Also, KNT will help with reporting to an Embassy. Please rest assured that healthcare workers and KNT staff will be supporting the tourists who tested positive.

PCR Test

- Tested by **Nasopharyngeal Swab**.
- The test would be held by the doctors/staff from **Fujimino Emergency Hospital**.

Test Result Comes Out within 24H

The results would be able to be checked on the hospital HP via provided QR Code on own. Or, if you request, the results would be send to the representative (Tour leader/ guide/ organizer, etc.)

Negative

Enjoy Traveling!

Only the tourists tested Negative are allowed to travel or to join events.

Positive

Follow Instructions

Would be required to follow the instructions by the Japanese Health Center.
