1. Round trip Shinkansen "Hikari" journey between Shin-Osaka and Okayama. 2. Visit the highlights of Okayama prefecture. *Kurashiki Bikan Historical Quarter (90 mins) The Japanese white wall residences and willow trees lining the banks of the Kurashiki River has earned recognition as an Important Preservation District for Groups of Traditional Buildings. Kurashiki prospered in the 1600s as an integral destination for the transportation of goods, and the area continues to offer a historically attractive atmosphere. *Okayama Castle (Admission fee is included.) The castle is registered as an Important Cultural Property of Japan. The architecture of the period (16th century) was partly represented by the use of boards painted with black lacquer on the walls of the castle tower. As such, the castle came to be known as the Crow Castle. *Okayama Korakuen Garden (Admission fee is included.) One of the three best Japanese gardens. Enjoy the traditional Japanese garden.
