

# POCKETALK

## CAN'T SPEAK JAPANESE? NO WORRIES! TRY THIS TRANSLATION DEVICE AND OPEN A WORLD OF CONVERSATIONS

POCKETALK® is a device specific to the translation function that allows you to interact with 74 languages-capable parties. POCKETALK has wide screen display, supports real-time viewing and voice translation and two languages can be set up simultaneously. This will be very helpful to interact in business meetings. It makes your business smoothly at exhibitions or international meetings without miscommunication. POCKETALK also will support you on a safe and secure trip during your stay in Japan.
